

A stylized black and white film strip graphic curves across the page from the top left towards the bottom right. The film strip has a perforated edge and is set against a background of light grey and blue curved bands.

COMPANY DOSSIER

OUR HISTORY

Urano Seguridad is a private security company authorized by the Ministry of Interior with the number 3886, with scope of action throughout the national territory.

Established in 2006 in the Canary Islands. The company's headquarters are located in the Santa Cruz de Tenerife island.

The company was acquired by new owners (current management) in 2016, with Mr. Miguel Domínguez Padín as CEO.

MISSION, VISION AND VALUES

We are a security company specialized in the surveillance and protection of goods and people, with a close and direct treatment with our clients and full involvement with the services we provide.

A global vision and business growth objective, valuing quality rather than quantity, is the philosophy of our company. We want to be a benchmark of quality, closeness and trust for our customers.

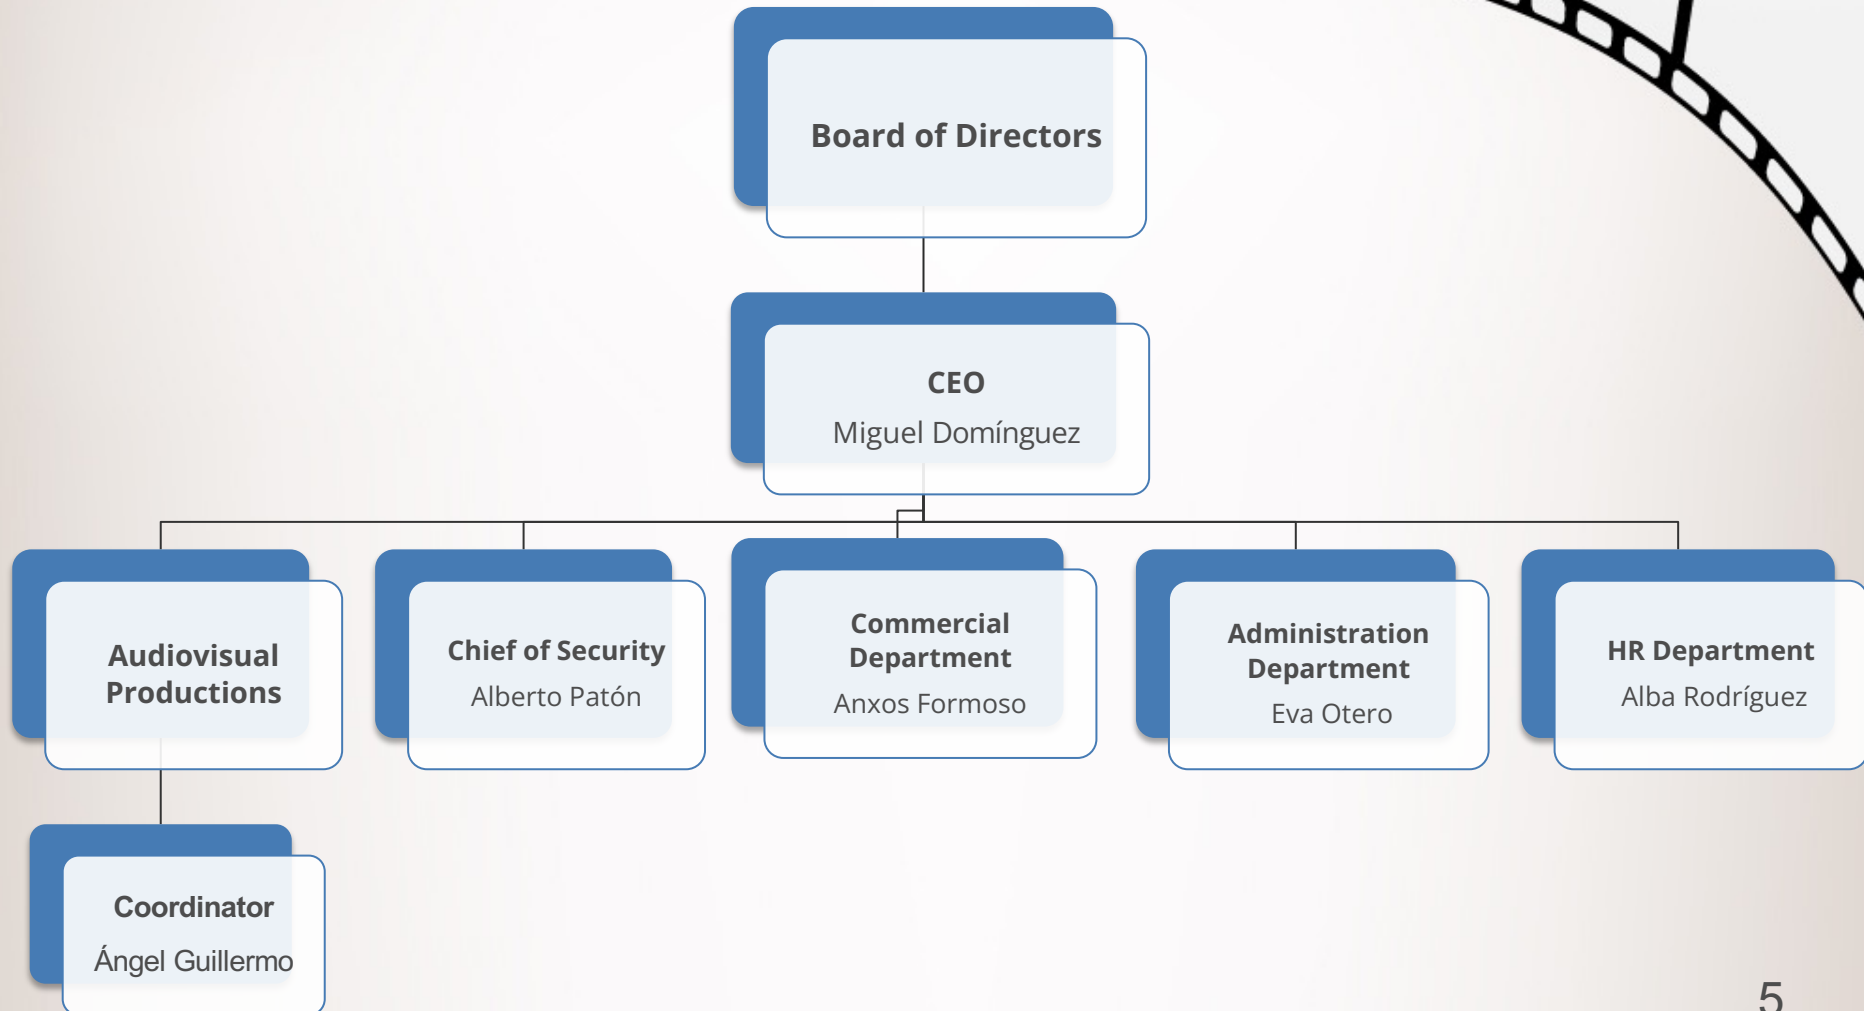

OUR TEAM

The human team is essential for Urano Seguridad, since they are the first and the last image that customers see. That is why, when selecting staff, the following aspects are valued:

All these qualities are necessary for service excellence. A human group where teamwork and adaptability to different environments are vital. All the security guards are enabled by the interior Ministry.

ORGANIZATION CHART

SERVICES

Urano Seguridad offers its services of surveillance and protection of goods, establishments, places and events, public and private, as well as of the people that could be in these places.

Present in both, private and public sector services

Urano Seguridad provides its services at the highest point in Spain, in the Mount Teide Cable Car, at 3.555 m high.

We are also present in the audiovisual production industry, where the work “side by side” with the producers, differentiates us.

AUDIOVISUAL PRODUCTIONS

A film production is an important project which requires great adaptability by the people who make up the team.

Urano Seguridad, is also part of the production team, adapting itself to the needs that arise, in the most efficient possible way.

“Hard work, involvement and total coordination with the members of the film production company”

Therefore, for this type of services, **Urano Seguridad** has a division dedicated solely and exclusively to coordinate and document management.

A decorative graphic of a film strip, with several frames visible, curving across the top and right side of the page. The film strip is black with white sprocket holes and frame lines.

AUDIOVISUAL PRODUCTIONS

Given our involvement in audiovisual projects,

Urano Seguridad has recently joined PROFILM as a collaborator, an association that represents 90% of production companies that develop audiovisual projects with third countries in Spain.

The logo for PROFILM, featuring the word "PROFILM" in a bold, sans-serif font. The "PRO" is in dark grey and "FILM" is in white, all set against a yellow rectangular background.

PROFILM

**| PRODUCTORAS ESPAÑOLAS DE
AUDIOVISUAL INTERNACIONAL**

A decorative graphic of a film strip, consisting of a black line with white rectangular frames, curving across the top and right sides of the page. The background is a light beige color.

COORDINATION

A coordinator is assigned in person, with 24/7 availability, throughout the production, thereby ensuring the relationship is direct with the producer and the locations managers which implies that is the security company itself who resolves any issue or need at the moment, as there are no intermediaries.

There is also a direct communication channel 24/7 with the production company.

The shift change development, which is an important part of the service, will be carried out efficiently and quickly, adapting to the needs of filming and thus preventing the work of audiovisual production from being hindered, with special emphasis on the filming sets.

SERVICES ORGANIZATION

Based on our experience, the following aspects are basic when performing our duties with maximum efficiency.

WRITING THE PART OF SERVICE

- Where all incidents occurred in the service are reflected.

DELIMIT AND SECURE THE AREAS

- To be monitored, using fences, cones and beacon tape

VEHICLES ACCESS CONTROL

- Access control to vehicles with sensitive material, by lising or by accreditation verification.

SET ACCESS CONTROL

- Access control to the set, important this point, providing the service in “silent mode”.

HIGH CAPACITY OF REACTION

- High capacity to react to unforeseen events and modifications.

KEY CUSTODY

The access to vans, trucks, to warehouses, mobile homes...etc has to be immediate.

SECURITY SERVICES PLANS

Based on our experience and on the productions needs, when the locations are in a public areas, such as beaches, natural or national parks, public roads... etc, URANO SEGURIDAD develop a security service plan which consists on:

TO IDENTIFY THE LOCATIONS AT PUBLIC AREAS

TO CONTACT WITH THE LOCAL AUTHORITIES

TO CONTACT TO THE TERRITORIAL UNIT OF PRIVATE SECURITY FOR APPROVAL.

TO DEVELOP A SECURITY PLAN BY THE SECURITY CHIEF

TO REQUEST AN AUTHORIZATION FOR A PUBLIC SECURITY SERVICE TO THE GOVERNMENT SUBDELEGATION.

DAILY COMMUNICATIONS WITH THE NATIONAL AND LOCAL POLICE, DURING THE LENGHT OF THE SECURITY SERVICE

A decorative graphic of a film strip, consisting of a black line with white rectangular frames, curving across the top and right side of the page.

DOCUMENT MANAGEMENT

Proof of registration of the Social Security of each worker or work team is provided in case they are requested, copies of the employment contracts, certificates of the occupational risks prevention.

Before the 12th of each month, a copy of each salary receipt (payroll) and its corresponding proof of payment will also be delivered. (if requested).

Certificates of being up to date with social security and the Tax Agency will be attached on a monthly basis

A decorative graphic of a film strip, consisting of a black line with white rectangular frames, curving across the top and right sides of the page.

A RESPONSIBLE COMPANY

Responsability is the fundamental pillar of the company, the development of responsible business management contributes to the creation of long-term value for employees, customers, suppliers and for society as a whole.

With the objective of offering excellence in services, it invests in continuous improvement through the training of its employees in Trading Centers approved by the Ministry of Interior.

Urano Seguridad is part of the Group of companies associated with **RED AZUL**, an Integral Plan of the National Police with the Private Security Sector, which is based on the need for professional collaboration of complementarity and co-responsability, achieving a setting scenario in common of resources that imply the establishment of a true “security alliance” between the Private Security and the National Police.

A decorative graphic of a film strip, consisting of a black line with white rectangular frames, curving across the top of the page. The background is a light beige gradient.

A COMMITTED COMPANY

Committed to its workers, Urano Seguridad in order to facilitate the reconciliation of work and family life, it meets its workers, improving the social conditions of the current Private Security agreement, through licenses and permits for marriage, birth of children, fatherhood, vacations, etc.

The workers follow a strict control in their training, keeping them updated and at the forefront in all the fundamental aspects of Private Security.

CIVIL LIABILITY AND ORP

URANO SEGURIDAD, has an Insurance Policy with LLOYD´S IBERIAN INSURANCE GROUP, in the Civil Responsibility modality with **nº LL202100004**. (Limit 1.000.000 €).

It also has an agreement insurance for their Workers, who covers for any eventuality arising.

In compliance with the norms of Safety, Health and Hygiene at work and with the current Law 31/1995, of November 8th on Occupational Risk Prevention, Urano Seguridad has the services of the PREVIMAC company, in charge of Health and Prevention of Labor Risks of workers
